*Enriching Lives, Inspiring Ambitions*

Our Ref: CLK

23<sup>rd</sup> January 2025

Dear Parent/Carer

## **Higher Education Experience - In School Workshop**

I am writing to inform you that Armthorpe Academy have invited ambassadors from Sheffield Hallam University to deliver a workshop around Higher Education and Achievement to our Year 7 students on **Friday 31<sup>st</sup> January 2025**. This will involve each Year 7 student receiving a 1 hour workshop at some point throughout the day which will be hosted by current students from the university, around university life, options at university, and achieving potential.

This will not involve students leaving site at any point and will be delivered at Armthorpe Academy as part of the normal school day and this letter has been sent purely for informational purposes.

As this activity requires students to take responsibility and follow instructions, any student whose behaviour has not met school expectations this half term will be withdrawn from the activity using the school's behaviour system. An opportunity will be available next year to supplement the curriculum.

If you wish your child not to be involved in the workshop, please contact [charlotte.lake@consilium-at.com](mailto:charlotte.lake@consilium-at.com) and alternative arrangements will be made for your child during this hour.

Yours sincerely

*C Lake*
