Principal's Newsletter

This week has been another busy and exciting one at the academy, with several events that have celebrated our students' achievements and helped prepare them for the future.

We were delighted to welcome our new Year 6 students as part of their transition programme. It was wonderful to see so many smiling faces as they explored the academy, met their new teachers and began making new friends. Starting secondary school is a big step and we are committed to making sure every student feels happy, confident and ready to begin their journey with us in September.

Our Year 11 Prom was a fantastic evening and a fitting way to celebrate the end of five years at the academy. Students looked incredible, behaved impeccably and enjoyed a memorable evening with their friends and staff. We are very proud of everything they have achieved and wish them every success as they move on to college, apprenticeships or the next stage of their education.

Students in Years 7 and 8 also enjoyed an excellent Sports Day. Throughout the day, students showed determination, teamwork and resilience, while cheering each other on and taking part with enthusiasm. It was a brilliant example of our values of excellence, equity and integrity in action. Thank you to our PE department and all the staff who worked so hard to make the day such a success. I am also delighted to introduce Mrs Hearn, who joins the academy as Trust Director for Creative Learning and Wider Curriculum. Mrs Hearn is an experienced leader and an outstanding Art and Photography teacher. She will be working closely with staff to help raise standards, improve student progress and strengthen the curriculum, ensuring that every student receives the highest quality education and has access to a wide range of enriching opportunities. We are delighted to welcome her to our academy community.
