		Corridors Work rooms					
6	Reintroduction of bubbles and social distancing	The school may also be required to reintroduce the use of bubbles in order to resume social distancing and limit the transmission of coronavirus. This may include staggering breaks and lunches, and start and finish times (ensuring children maintain their full educational entitlement) The school will adhere to any conditions set out by the local Public Health Team.	All CRO with reference to initial plan to adapt as appropriate		x		
7	Out of School Clubs and wrap around child care	Providers who run community activities, holiday clubs, breakfast or after-school clubs, tuition and other out-of-school or childcare provision (including wraparound childcare), for children over the age of 5 should be able to continue to open for both indoor and outdoor provision. If attendance restrictions are needed, vulnerable children should still be allowed to attend. For all other children, parents and carers of key workers should only access face-to-face provision for their children for a limited set of essential purposes, to allow them to go to or seek work, attend a medical appointment, or undertake education and training.	N/A		x

		If holiday clubs are cancelled following advice from government, Doncaster Local Authority will operate flexibly to ensure that eligible children still receive support. This may involve children receiving food parcels and activity packs along with access to online support.					
8	Out of School Visits	<p>Any attendance restrictions should be reflected in the risk assessment for the visit and leaders should consider if the educational visit is still appropriate and safe.</p> <p>Only children who are attending the setting should go on an educational visit. Education settings should consult the health and safety guidance on educational visits when considering visits</p>	CRO CAB			x	
9	Clinically Extremely Vulnerable Children	In the event of a major outbreak or Variant of Concern that poses a significant risk to individuals on the Shielded Patient List (SPL), ministers can agree to reintroduce shielding. Shielding would be considered in addition to other measures to address the residual risk to people on the SPL, once the wider interventions are taken into account.	AMO/LLO to oversee student risk assessments where necessary with AWH QA.			x

Date: August 2021

		<ul style="list-style-type: none"> Shielding can only be reintroduced by national government. <p>Individual risk assessments will be carried out for children who are CEV, based on government guidance, and appropriate remote learning put in place (see remote learning policy)</p>					
10	Staff Workforce	<p>Employers should explain to staff the measures they are putting in place to reduce risks to staff, including how these protective measures have been reviewed as part of an updated workplace risk assessment.</p> <p>Employers should have regard to the guidance on clinically extremely vulnerable people.</p> <p>If attendance is restricted, staffing will be reviewed to offer more opportunities for staff to work at home, given reduced numbers of pupils onsite and the use of remote education for pupils scheduled to be at home.</p> <p>School should have regard to staff work-life balance and wellbeing. This includes considering how best to balance the demands of onsite teaching and support for remote education.</p>	CRO			x
