Anti-Bullying Charter

At Armthorpe, bullying is:

'The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power.' Bullying can be physical, verbal or psychological.

As a school we will:

Continually promote the importance of respect and communicating with kindness.

Have clear systems and processes in place to tackle any bullying

Support all students who have experienced bullying and ensure that they feel safe in school.

Work with parents/carers of any student who is involved in bullying to support, encourage and find solutions

As student I know that I have a responsibility to:

Communicate with kindness.

Recognise and respect that everyone is unique.

Speak up when others need help.

Not reinforce unkind behaviour through my actions, such as laughing or providing an audience.

If you have a concern,
report it to any member of staff in school,
or tell family and friends so they can tell us.

See it.

Report it.

Stop it.
