

2 Year Business Curriculum 22/23

In this fast paced digital world, it is imperative to have the essential knowledge and skills that Business and Enterprise can offer, to provide students with the tools to succeed and become the entrepreneur of tomorrow.

Themes

Throughout the business course there are a number of key themes which interleave over the two years. These themes are taught within different business concepts and context allowing students to develop a deeper business understanding with the ability to see view business problems from different viewpoints.
