

Enriching Lives, Inspiring Ambitions

THE ARMTHORPE VALUES

Respect: Communicate with Kindness

At Armthorpe respect is:

- Being a leader: Doing the right thing when no-one is watching (both inside and outside of school).
- Executing the basics: Smiling, saying please/thank you, opening doors and treating others how we would want to be treated ourselves.
- Following and accepting rules without argument.

Responsibility: Make Positive Choices

At Armthorpe responsibility is:

- Being responsible: doing the 'things' you are supposed to do.
- Accepting responsibility: enjoying praise for 'things' you have done well (positive choices) and admitting to and accepting the consequences for 'things' you have not done well (poor choices).
- Role modelling responsibility: encouraging others to make positive choices.

Resilience: Never Give Up

At Armthorpe resilience is:

- Being prepared to embrace challenges and unknown situations.
- Bouncebackability! Realising sometimes we must try things several times before we learn or find a solution.
- Being ruthless and relentless in striving for success – we do not stop until we are as good as we can be!

Pride: The Best of Me

At Armthorpe pride is:

- Constantly working hard – nothing replaces hard work.
- Actively listening to others so we are always learning and improving - know it, own it, do it!
- Thinking for ourselves and never being afraid to share our ideas/thoughts when requested – we aim for solution focussed creative minds.

Ambition: Dream Big

At Armthorpe ambition is:

- If our dreams do not scare us, they are not big enough.
- Having a dream we can articulate.
- Understanding what excellence looks like and constantly striving for it.
