Dear Parent/Carer

Please find below a list of frequently asked questions which arose from the Pupil Premium Parent Forum that we hosted on Friday, 27th September and some answers that may help. If you would like any further information or clarity, please do not hesitate to contact us.

Question	Response
The school website has the 2023 Behaviour policy published, is this still the current policy?	No, we have a new 2024 Behaviour policy and this will be updated on the website.
Is there a list of extra-curricular activities that students can take part in after-school?	Yes, and this can be found on the school website.
Is there after school revision for Year 11s?	Yes, there is revision every day after school, and this has been communicated to the students.
Some students struggle with their handwriting and accessing the work, is there anything that can be done to support these students?	As a school, we constantly monitor the development of students and where we believe that additional support is required (in whatever way this is), we will ensure this is put in place. However, sometimes it can take time to fully diagnose the situations and devise the best course of action. I would suggest you keep in contact with the Student Support officers and myself to be kept up to date with these situations.
Is there a method for better communication to ensure my Y11 child has the best opportunities this year?	Each Pupil Premium student in Y11 has an academic mentor, and each student has had at least one meeting with their mentor. Please ask your child the name of the mentor and you could contact them directly. Alternatively, please feel free to email myself and I will help with any issues.
How is the Pupil Premium funding spent across school?	The funding is spent on individual basis and across school to aid the progress and experience of all Pupil Premium students. This will be explored more at the next Pupil Premium forum.

If you have any further questions or concerns, please feel free to contact me at Craig.Fox@consilium-at.com

As a reminder, the next Pupil Premium Parent Forum will be held on Thursday, 28th November from 4.00 – 6.00pm.

Yours sincerely
